JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

MEXICO.

Plague situation at Mazatlan.

Assistant Surgeon Francis reports from City of Mexico, April 4, as follows: The plague situation at Mazatlan and environs in continuation of the data already furnished to the Bureau:

For week ended March 15.

	New cases.	Deaths.
Mazatlan	4	3
Villa Union.....	2	0
Siqueros	0	0

For week ended March 22.

	New cases.	Deaths.
Mazatlan	0	0
Villa Union.....	1	1
